

## Reinforced *health protocol* *In the context of the COVID-19 health crisis*

### **TRAINED STAFF**

All our staff is trained in barrier gestures and new operating procedures to ensure everyone's safety.

### **CAPACITY LIMITATION**

The capacity of the restaurant, bar and lounge is also limited in order to respect the mandatory physical distancing.

### **ORGANISED FLOWS**

The flows have been organised order to facilitate physical distancing.

### **DISINFECTED**

Our chalet-hôtel is disinfected daily according to a strict protocol, using certified equipment and products.

### **BROCHURES AND PRINTED MATERIALS REMOVED**

Brochures and other paper materials have been removed from all areas to limit multi-user contact.

### **CONSTANT DISINFECTION**

Several times a day, we disinfect all frequent contact areas such as door and window handles, switches, payment devices, reception counters...

### **ADAPTATION TABLE PLANS**

The spacing between tables in all our restaurant has been adapted in accordance with distance instructions.

### **MENUS & ACCOMMODATION EQUIPMENT AVAILABLE ONLINE**

Our food & beverage offer and the room directory as well as the health & safety instructions will be digitally accessible on your mobile phone, in order to limit contacts.

### **HYDROALCOHOLIC GEL AVAILABLE**

Hydroalcoholic gel is available in all public areas of the chalet-hôtel Gai Soleil.

### **REMINDER OF BARRIER GESTURES**

The reminder of barrier gestures is posted in all public areas of the Chalet-hôtel to encourage everyone to respect them, for the health of all.

### **PROCEDURE IN CASE OF DETECTION OF A SUSPECTED CARRIER**

A modus operandi is in place in the event of detection of a suspected Covid-19 carrier, whether a customer or an employee.

### **WEARING A MASK IN RESTAURANTS**

In all bars and restaurants, customers must wear a mask and must keep it on at all times, except at the table.
